**Rules:** The Racing Rules of Sailing, the prescriptions of the U.S. Sailing Association, and this Notice of Race/Sailing Instructions will govern the race.

**Sailing Instructions:** The sailing instructions are part of this Notice of Race. A race committee boat will be at the northeast corner of Jones Island (the north end of Spring Passage) the morning of October 4th. A starting line will be set between the permanent marker at 48 37.217N & 123 02.562W and the red flag on the committee boat. The pin end area of the line is an obstruction, so watch the depth. In the event RC cannot set the line as described, it will likely move into the cove and instruct the fleet on 68 as to how the new line will work. The starting direction will be from the SE to the NW. The start sequence will begin at 9:55 AM with the warning flag. The 5-minute sequence as described in the Racing Rules of Sailing will be used. The start will be at 10:00 AM unless delayed. The course is around Waldron Island in any direction, finishing at the same location as the start. The finishing direction will be from the NW to the SE. Boats finishing after

4:00 PM will not be scored. The time on distance formula will be used; the course distance of 15 miles will be applied in the calculation.

**PIYA:** This is a PIYA Category III event.

**Weather and tides:** Be aware that fog can be a player, as can significant current. GPS equipment is recommended.

**Communications:** Monitor Channel 16 for boats needing assistance and for announcements. The race committee may request that further communications regarding the race, such as abandonment be switched to ch. 68.

**Check-in:** No check-in is required. Boats that cross the start line within 10 minutes of the start will be assumed to be racing; any that cross the line later should radio the race committee to confirm intent to race.

**Protests:** Protests must be announced to the RC boat and acknowledged as the protesting boat finishes, either by a sail-by or by radio, going from ch. 16 to 68. Valid protests will be heard at the West Sound Community Center approximately one hour after the committee boat docks.

**Entry Form:** The entry form is attached – next page – can be downloaded from [www.oicyc.org](http://www.oicyc.org) or can be picked up at the West Sound Marina.
